## WordQ

Write better with more confidence and independence.

### Desktop – Windows/Mac

- Supports users of all ages by offering state-of-the-art word prediction, speech feedback, proofreading and more.
- WordQ uses a floating toolbar that follows you around wherever you go to type – including Word, Google, emails, etc.

### Chromebook

- WordQ for Chrome is an easy-to-use text editor for Chromebooks with writing skill improvement and compensation tools.
- All students benefit.

## Trial:

- WordQ can be trialled for 30 days. [WordQ Trial Request \(Email\)](#) Please indicate which version you would like within your email.

## Pricing:

- WordQ Chrome – Single User License – 12 Month Subscription = \$218.50 incl GST
- WordQ Desktop (Windows/Mac) – Single User License – 12 Month Subscription = \$218.50 incl GST

## Clicker

- Most supplied software option for literacy.
- The theory behind Clicker is that it is the building blocks for writing and guides students through that process, starting with building a sentence, and ending with creating a full document.

## Clicker Training Resources
